SEWING MACHINE & SUPPLY LLC

Parts, Supplies & Peripheral Device Vendors Registration

Welcome! As a parts, supplies or peripheral device vendor, you are extremely important to us. Unlike many companies that treat suppliers as commodities, Superior seeks to build long-term relationships and, equally as important, long lasting friendships with our suppliers.

If you have visited the Company section of the website, you know that Superior has an exceptionally strong commitment to stocking quality products and delivering them quickly to our customers. We focus on aligning ourselves with suppliers that possess this same commitment to quality and on-time delivery.

By completing the registration form below, you will have access to the parts search section of our website. This should be a very useful tool for you.

We look forward to many visits from you. As you use this site, we hope that you will provide us with feedback on ways to make it even more useful to you.
