FAIRGATE RULERS

FAIRGATE
RULE COMPANY, INC.
Precision In Measuring

Quality tools for the fashion designer and patternmaker.

FAIRGATE RULERS

Fairgate Rule Company manufactures an extensive line of tools to meet the unique needs of the garment industry. All tools, except the stainless steel rules, are made of the highest quality hard, tempered aluminum. They are rugged enough to provide years or reliable service, yet are lightweight and comfortable to transport and use. Each tool is manufactured to the highest standards of accuracy with precise, easy-to-read increments. Fairgate garment industry tools are available individually or in the popular Fashion Design Kits which include the classic reference booklet ***A Guide to Patternmaking.***
