This exploded view diagram illustrates the assembly of a mechanical device, likely a motor or actuator. The components are numbered 1 through 23. The diagram shows the following parts and their assembly sequence:

- Part 1:** A small cylindrical component with a central shaft.
- Part 2:** A small rectangular component.
- Part 3:** A larger rectangular component with a central circular feature.
- Part 4:** A rectangular component with a large circular opening.
- Part 5:** A circular component with a central hub and spokes.
- Part 6:** A small circular component.
- Part 7:** A small cylindrical component.
- Part 8:** A small cylindrical component.
- Part 9:** A small circular component.
- Part 10:** A small cylindrical component.
- Part 11:** A small cylindrical component.
- Part 12:** A small rectangular component.
- Part 13:** A small rectangular component.
- Part 14:** A small rectangular component.
- Part 15:** A small rectangular component.
- Part 16:** A small rectangular component.
- Part 17:** A small rectangular component.
- Part 18:** A small rectangular component.
- Part 19:** A small circular component.
- Part 20:** A small circular component.
- Part 21:** A small cylindrical component.
- Part 22:** A small cylindrical component.
- Part 23:** A small cylindrical component.

The diagram uses dashed lines to indicate the assembly path and alignment of the components. Arrows labeled 'A' and 'B' indicate the direction of assembly for parts 12 and 13, respectively.
