

UPPER THREADING—TWO-NEEDLES (TANDEM)

Machine 253-212

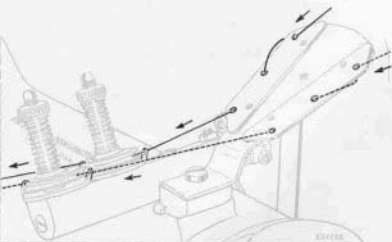

Fig. 15. Threading Needle Thread Tension Assembly

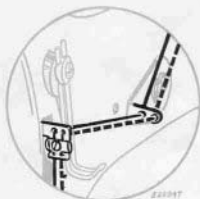

Fig. 16. Threading Needle Thread Take-up

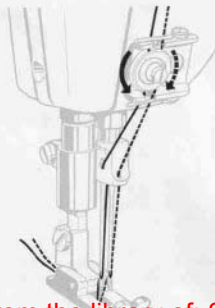

Fig. 17. Threading Needles

Turn machine pulley over toward operator until needles are at their **highest** point.

Pass each needle thread from unwinder through threading points on machine in the order shown in Figs. 15 to 18.

Dotted line indicates thread for front needle.

NOTE: Thread is passed from **front** to **back** through needle eye, as shown in Fig. 17.

Draw about two inches of thread through each needle eye with which to start sewing.
